#### Treaty with Spain.

Know all Mrs. that, whereas His Majesty the King and Her Majesty the Queen of Spain did on the Sib day of October, in the year of Our Lord, Eighteen peace and friendship, which said Treaty is word for

Her Majesty the Queen of Spain, on the one part, the other part, desiring to facilitate the estalishment by the motives which impelled it to enter the port. reial relations between Spain and the Hawallan Islands and to favor their development by a Treaty of amity, commerce and navigation suited for they may there anchor, be repaired, and victual their securing to the two countries equal and reciprocal ail- crews; they may proceed from one harbor to another vantages, have nominated to this purpose for their Plenipstentiaries, that is to say: Her Majesty the Grand Cross of the Royal Order of Isabella the Cathed Order of Charles the Third, Grand Cross of the rights, privileges and immunities which are or may treatjes with the same, to induce them to adopt the our readers will please observe the read-Order of Phillip the Magnanimous of Hesse, of be granted to Hawaiian ships and whaters, or to those that of Christ of Portugal, Ac., Grand officer of of the most favored nation Majesty; and His Majesty the King of the Hawaiian under the flag of the most favored nation. Islands, Sir John Bowring, Knight Bachelor of Article 14. Spanish ships in the Hawaiian Islands. Great Britain. Who having mutually communicated and Hawaiian ships in Spain, may discharge a portion their powers and found them in good and true form of their cargo in the port of their first arrival, and have agreed on the following Articles:

Article 1. There shall be perpetual peace and constant friendship between the Kingdom of Spain and whether to complete their unloading, or to provide that of the Hawaiian Islands and between the citizens | their return-cargo, and shall pay in neither port other of the two countries without exception of person or or heavier duties than those levied on national vessels

A-riele 2. There shall be between Spain and the and navigation. Spaniards in the Hawaiian Islands and Hawanan subjects in Spain may enter in the same liberty and security with their vessels and cargoes as are enjoyed by the natives of the respective shall in future be open to foreign commerce, provided two countries into the other, until they shall be realways, that the police regulations employed for the moved for transit, re-exportation or interval consump protection of the citizens of the most favored nations

Acticle 3. The citizens of each of the contracting Parties may, like the natives in the respective territories, travel or reside, tends wholesale or retail let or secure the houses, stores and shops which they may require; they may carry on the transport of citizens, may be transhipped in the ports of the two merchandise and money, and receive consignments; countries to a vessel bound for a national or foreign they may also, when they have resided more than a port, according to the Custom House regulations of the year in the country, and their goods, chattels or two countries, and the goods so transported for other sufficient security, be admitted as sureties in Custom-House transactions. The citizens of both countries price of goods, merchandise and articles of every kind, whether imported or of home manufacture, whether for home consumption or for exportation. They aball also sojoy liberty to carry on their business themselves, to present to the Custom-House their own declarations or to have their place supplied by their shall enjoy, in their passage through Spain, the same own Attorneys, Factors, Consignees, Agents or Interpresters, whether in the purchase or sale of their goods, their property or merchandise, whether for the loading or unloading or of the expedition of their versels. They shall also have the right to fulfill all countrymen, by strangers or by natives in the posithey shall conform to all the laws and regulations of the country and they shall not be subject in any case to any other charges, restrictions, taxes or Impositions than those to which the natives are subject, provided always that the police regulations employed nations be respected. It is also specially provided nations. that all the advantages of any kind whatever actually granted by the laws and decrees now in force, or which shall in future be accorded to foreign settlere, shall be guaranteed to Spaniards established or who shall establish themselves in whatever positions they may deem fit in the Hawaiian territory, and the same shall hold good for Hawaiian subjects in Spain.

Article 4. The respective citizens of the two conn tries shall enjoy the most constant and complete protection for their persons and property. Consequently they shall have free and easy access to the Courts of Justice in the pursuit and defense of their rights in every instance and degree of jurisdiction established by the laws. They shall be at liberty under any circonstance to employ lawyers, advocates or agents from any class whom they may see fit to authorize to not in their name. In fine, they shall in all respects enjoy the same rights and privileges, which are granted to natives and they shall be subject to the same

Arniele 5. Spaniards in the Havalian Islands, and Hawnilans in Spain, shall be exempt from all service, whather in the army or navy, or in the national goard or militie, and they can not be subject to any other charges, restrictions, taxes or impositions on their board, or to Spain, Seamen who may have deserted property, farniture or moveables, than those to which

Aritele 6. The citizens of both countries respect ly shall not be subject to any embargo, nor to be deained with their vessels, luggage, sargues, or commercial effects for any military expedition whatever, nor for any public or private service whatever, unless the Government or local authorities shall have previously agreed with the parties interested that a just inden nity shall be granted for such service, and for such compensation as might fairly be required for the

nilertaken. Article 7. Citizens of either of the contracting Par ties shall, on the respective territories, have the rights of possessing property of any sort, and disposing of it on the same conditions as native subjects. Spaniards shall enjoy, in all the Hawaiian territo-

ries, the right of collecting and transmitting succeszions ab intestato, or testamentary, as Hawaiians. according to the laws of the country, without being subjected as strangers to any burthen or impost which are not paid by the natives.

Reciprocally, Hawaiian subjects shall enjoy in Spain the right of collecting and transmitting sucpersions ub intestale, or testamentary, on the same conditions as Spaniards, according to the laws of the country, and without being subject as strangers to any charge or import not paid by the natives.

The same reciprocity between the citizens of the two countries shall exist for donations inter views. On the exportation of property, collected or acquired under any head by Spaniards in the Hawaiian Islands, or by Hawaiins in Spain, there shall be no duty on removal or emigration, nor any duty whatever to which natives are not subjected.

Article S. All Spanish or Hawaiian vessels sailing under their respective colors, and which shall be bearers of the ship's papers and documents required by the laws of their respective countries, shall be sidered as national vessels.

Article 9. Spanish vessels which shall arrive either in ballast or laden, in Hawaiian ports, or which shall leave the same, and, reciprocally. Hawaiian vessels which either in buliast or laden, enter or leave the ports of Spain, whether by sea, or by rivers or canals, whatever be the place of their departure or that of their destination, shall not be subject, either at entry or departure, to duties on tonnage, port or transit, pilotage, anchorage, shifting, light-house, sluice, canals, quarantine, salvage, bonding warehouses, patent, brokerage, pavigation, passage, or to any duties or charges whatever levied on the hulks of vessels received or established for the benefit of the Government of the public functionaries, communes or establishment of any sort, other than those which are now, or may hereafter be levied on national vessels.

Article 10. In all that regards the stationing, the lossling and unloading of vessels in the ports, roadsteads, harbors and docks, and generally for all the formalities and arrangements whatever to which vessels employed in commerce with their freight and loading may be subject, it is agreed that no privilege shall be granted to national versels which shall not be equally granted to vessels of the other country, the intention of the high contracting parties being that in this respect also, the respective vessels shall be treated on the footing of perfect equality.

Article 11. Vessels of the subjects of the cor tracting Parties, compelled to seek shelter in the Hundred and Sixty-three, at London, by their re. ports of the other, shall pay neither on the vessels spective Plenipotentiaries, negotiate a Treaty of nor the cargo, more duties than those levied on na tional vessels in the same situation, provided that the necessity of such shelter seeking be legally shown; that the vessel shall carry on no commercial speculaand His Majesty the King of the Hawaiian Islands on tions, and that it will tarry no longer than is required

Article 12. Spanish ships of war and whaling ships shall have free access to all the open Hawaiian ports; of the Hawniian Islands for fresh provisions. At all the ports which are or may be hereafter opened to Queen of Spain, Don Juan Tomax Comyn, Knight foreign vessels, Spanish ships of war and whalers shall be subject to the same rules which are or may edir. Knight Commander of the Royal and distinguish- be imposed, and shall enjoy in all respects the same

Orders of Our Lady of Villaviciosa of Portugal and ports of either of the contracting States under the change of the ratifications. of the Red Eagle of Prussia, &c., Chamberlain of flag of the other, whatever he their origin, and from Her Catholic Majesty, late Royal Councelor in extra- whatever country imported, shall pay neither other and Her actual Envoy Extraordinary and nor heavier duties of entry, and shall not be subjected Minister Plenipotentiary at the Court of Her Britannie | to any other charges than those imposed on vessels

proceed with the rest of their cargo to other ports" the same country which may be open to foreign trade-

Hawaiian Islands, reciprocal freedom in commerce sountry shall be mutually treated on the same foot ing as the most favored nation.

Article 15. During the period allowed by the laws of the two countries for the ware-housing of goods, no other duties than those for custody and storage countries in all places, ports and rivers, which are or shall be levied upon articles imported from one of the tion. In no case shall such arricles may higher do ties, or be liable to other formalities than if they had been imported under the national flag, or from the most favored country.

Article 16. Merchandise shipped on board Spanish or Hawaiian ships, or belonging to their respective morables which they they there possess shall offer a ports shall be exempt from all duties of Custom or ware-house

Article 17. Articles of all sorts proceeding from shall on a fucting of perfect equality, be free both Spain or shipped for Spain, shall enjoy in their pasto purchase and to sell, to establish and to fix the sage through the territory of the Hawaiian Islands. whether in direct transit or for re-exportation, all the advantages possessed under the same circumstances by the most favored nation.

Reciprocally, the articles of every sort proceeding from the Hawaiian Islands or sent for that country advantages as are possessed by the most favored na-

Article 18. Neither one nor the other of the co tracting parties will impose upon the goods proceed ing from the soil, the manufactures or the wars house the functions that are confided to them by their own, of the other, different or greater duties on importation or re-exportation than those which shall be imtion of Attorneys, Factors, Agents, Consignees or In. poved on the same merchandise coming from any othterpreters. For the performance of all these acts or foreign country. Nor shall there be imposed on the goods exported from one country to the other, different or higher duties than if they were exported to any other foreign country. No restriction or probibition of importation or exportation shall take place in the reciprocal commerce of the contracting parties for the protection of the citizens of the most favored which shall not be equally extended to all other

> Article 19. Consula Generals, Consula Vice Con suls and Consular Agents, may be established by each country in the other for the protection of commerce such Agents shall not enter upon their functions or enjoyment of the rights, privileges or immunities which belong to them, until they have obtained the authorisation of the territorial Government, which shall, besides, preserve the right of determining the place of residence where Consuls may be established it being understood that neither Government will im pose any restriction which is not common in the country to all nations.

Article 20. The Consuls Generals, Consuls, Vice Consuls and Consular Agents of Spain in the Hawaiian Islands, shall enjoy all the privileges, immunities and exemptions, enjoyed by the agents of the most favored nation in the came circumstances. And the same shall be the position in Spain of the Hawaiian Consula General, Consula and Consular Arents.

Article 21. The desertion of Seamen, embarked in the vessels of either of the contracting parties, shall be severely dealt with in their respective territories. In consequence, the Spanish Consuls shall have the power to cause to be arrested and sent in

er, the roll or other official documents, to prove that the persons named formed part of the ship's crow. On this application so supported, the delivery of the Seamen shall not be refused.

All aid and assistance shall be given for the discovery and arrest of such deserters, who shall be detained in the prisons of the country, on the requirement wrong, which not being purely fortnitous, may have and at the expense of the Consule, until they shall grown out of the service which they have voluntarily | find an opportunity of sending them away. . If however, no opportunity shall offer in the course

two months, counting from the day of arrest, the serters may be set at liberty. It is understood, that seamen who are native Hawaiians shall be excepted from this arrangement,

If the deserter has committed any crime in the Hawaiian territory, his release shall not take place till the competent tribunal shall have given judgment, and this judgment been carried into execution.

Hawaiian Consuls shall possess exactly the same rights in Spain, and it is formally agreed between the two contracting parties, that every other favor or facility granted aft to be granted by either to any other to the present contracting parties, as fully as if they had formed part of the present treaty.

Article 22. All operations connected with the salsular Agents of Spain, and reciprocally, the Consular Hawaiian Agents shall superintend the operations nnected with the salvage of Hawaiian vessels tranded or wrecked on the Spanish coast

ninistration of the wreck shall be committed to them. The intervention of the local authorities shall only applied to the maintenance of order, to guarantee managers to be taken for the entry and departure of the saved Goods.

In the absence and until the arrival of the Consu-

The goods saved shall never be subjected to Cusems or other duty, unless they are disposed of for

Article 23. The ships, merchandise and effects be longing to the respective citizens which may have been taken by pirates, or conveyed to or found in the ports of either of the contracting parties, shall be deivered to their owners on payment of the expenses. should there be such; the amount to be determined by the competent tribunals, when the rights of the the claim being made within the space of eighteen tion to publishing his own suppositions. months by the interested parties, by their attorneys, or those of still more crude and irresponor by the Agents of their respective Governments.

Arricle 24. If, from a concurrence of unfortunate umstances, differences between the contracting hausted the means of an amicable and conciliatory discussion the object of their mutual desire should not have been completely attained, the arbitration of his idea of the law of conspiracy a third Power, equally the friend of both, shall, by a is certainly interesting to any one, and this means, a definitive rupture.

Arricle 25. Hawaiian subjects shall enjoy, in the Ultramarine possessions of Spain, the advantages which are conceded to the subjects of the most favor- ter Twenty Nine, on conspiracy, and ed nation, and in the same possessions, the stipulations of this treaty shall have effect when not openly opposed to the special legislation there existing.

Article 26. All vessels bearing the Mag of Spain, shall, in time of war, receive every possible protection, short of active hostility, within the ports and waters of the Hawaiian Islands, and Her Majesty and found that that chapter pertains to obthe Queen of Spain engages to respect, in time of war, the neutrality of the Hawaiian Islands, and to structing the course of justice,—but supuse her good offices with all the other powers having posing he meant Chapter Twenty-Eight, same policy toward the said Islands. Article 27. The present Treaty shall be in vigor
